## Return information

Product	Reason Code	Quantity

**Please be aware items ordered by mistake or change of mind will be subject to a 15% restocking fee.**

Any products returned for a refund must be correctly packaged to prevent any damage. It is the customer's responsibility if items arrive damaged or in an unsellable manner. We recommend that you use a recorded / signed-for courier service. The majority of our items come with fitting kit, failing to return these will incur an additional charge. Return shipping costs are non-refundable unless previously agreed. Once we receive your parcel we will inspect and process your return as soon as possible.

You will receive an email from our website notifying you of a refund and refunds can take 3-11 days to clear back to your original payment method. Incomplete return forms (Missing information / CRN) will be dismissed by our goods-in department and no further action taken. Please ensure all relevant information is provided.

I have read and agree to the above information & details described/listed on our terms & conditions policy.
